

SOULFUL TALES

APRIL 2026

# Ease into an April escape made for you

April unfolds gently at Nova, where moments move with ease and meaning finds its way into each day. Time slows in all the right ways, inviting connection, shared laughter, and simple experiences that linger longer. Looking ahead, excitement builds as two-Michelin-star chef Sebastian Frank arrives in May, bringing his Roots & Waves culinary journey to life through thoughtful, ingredient-led creations. Around the island, contemporary cuisine continues to honour local flavours, while ReRooted offers an invitation to reconnect with self, nature, and community in a space that feels open, grounding, and deeply human.
